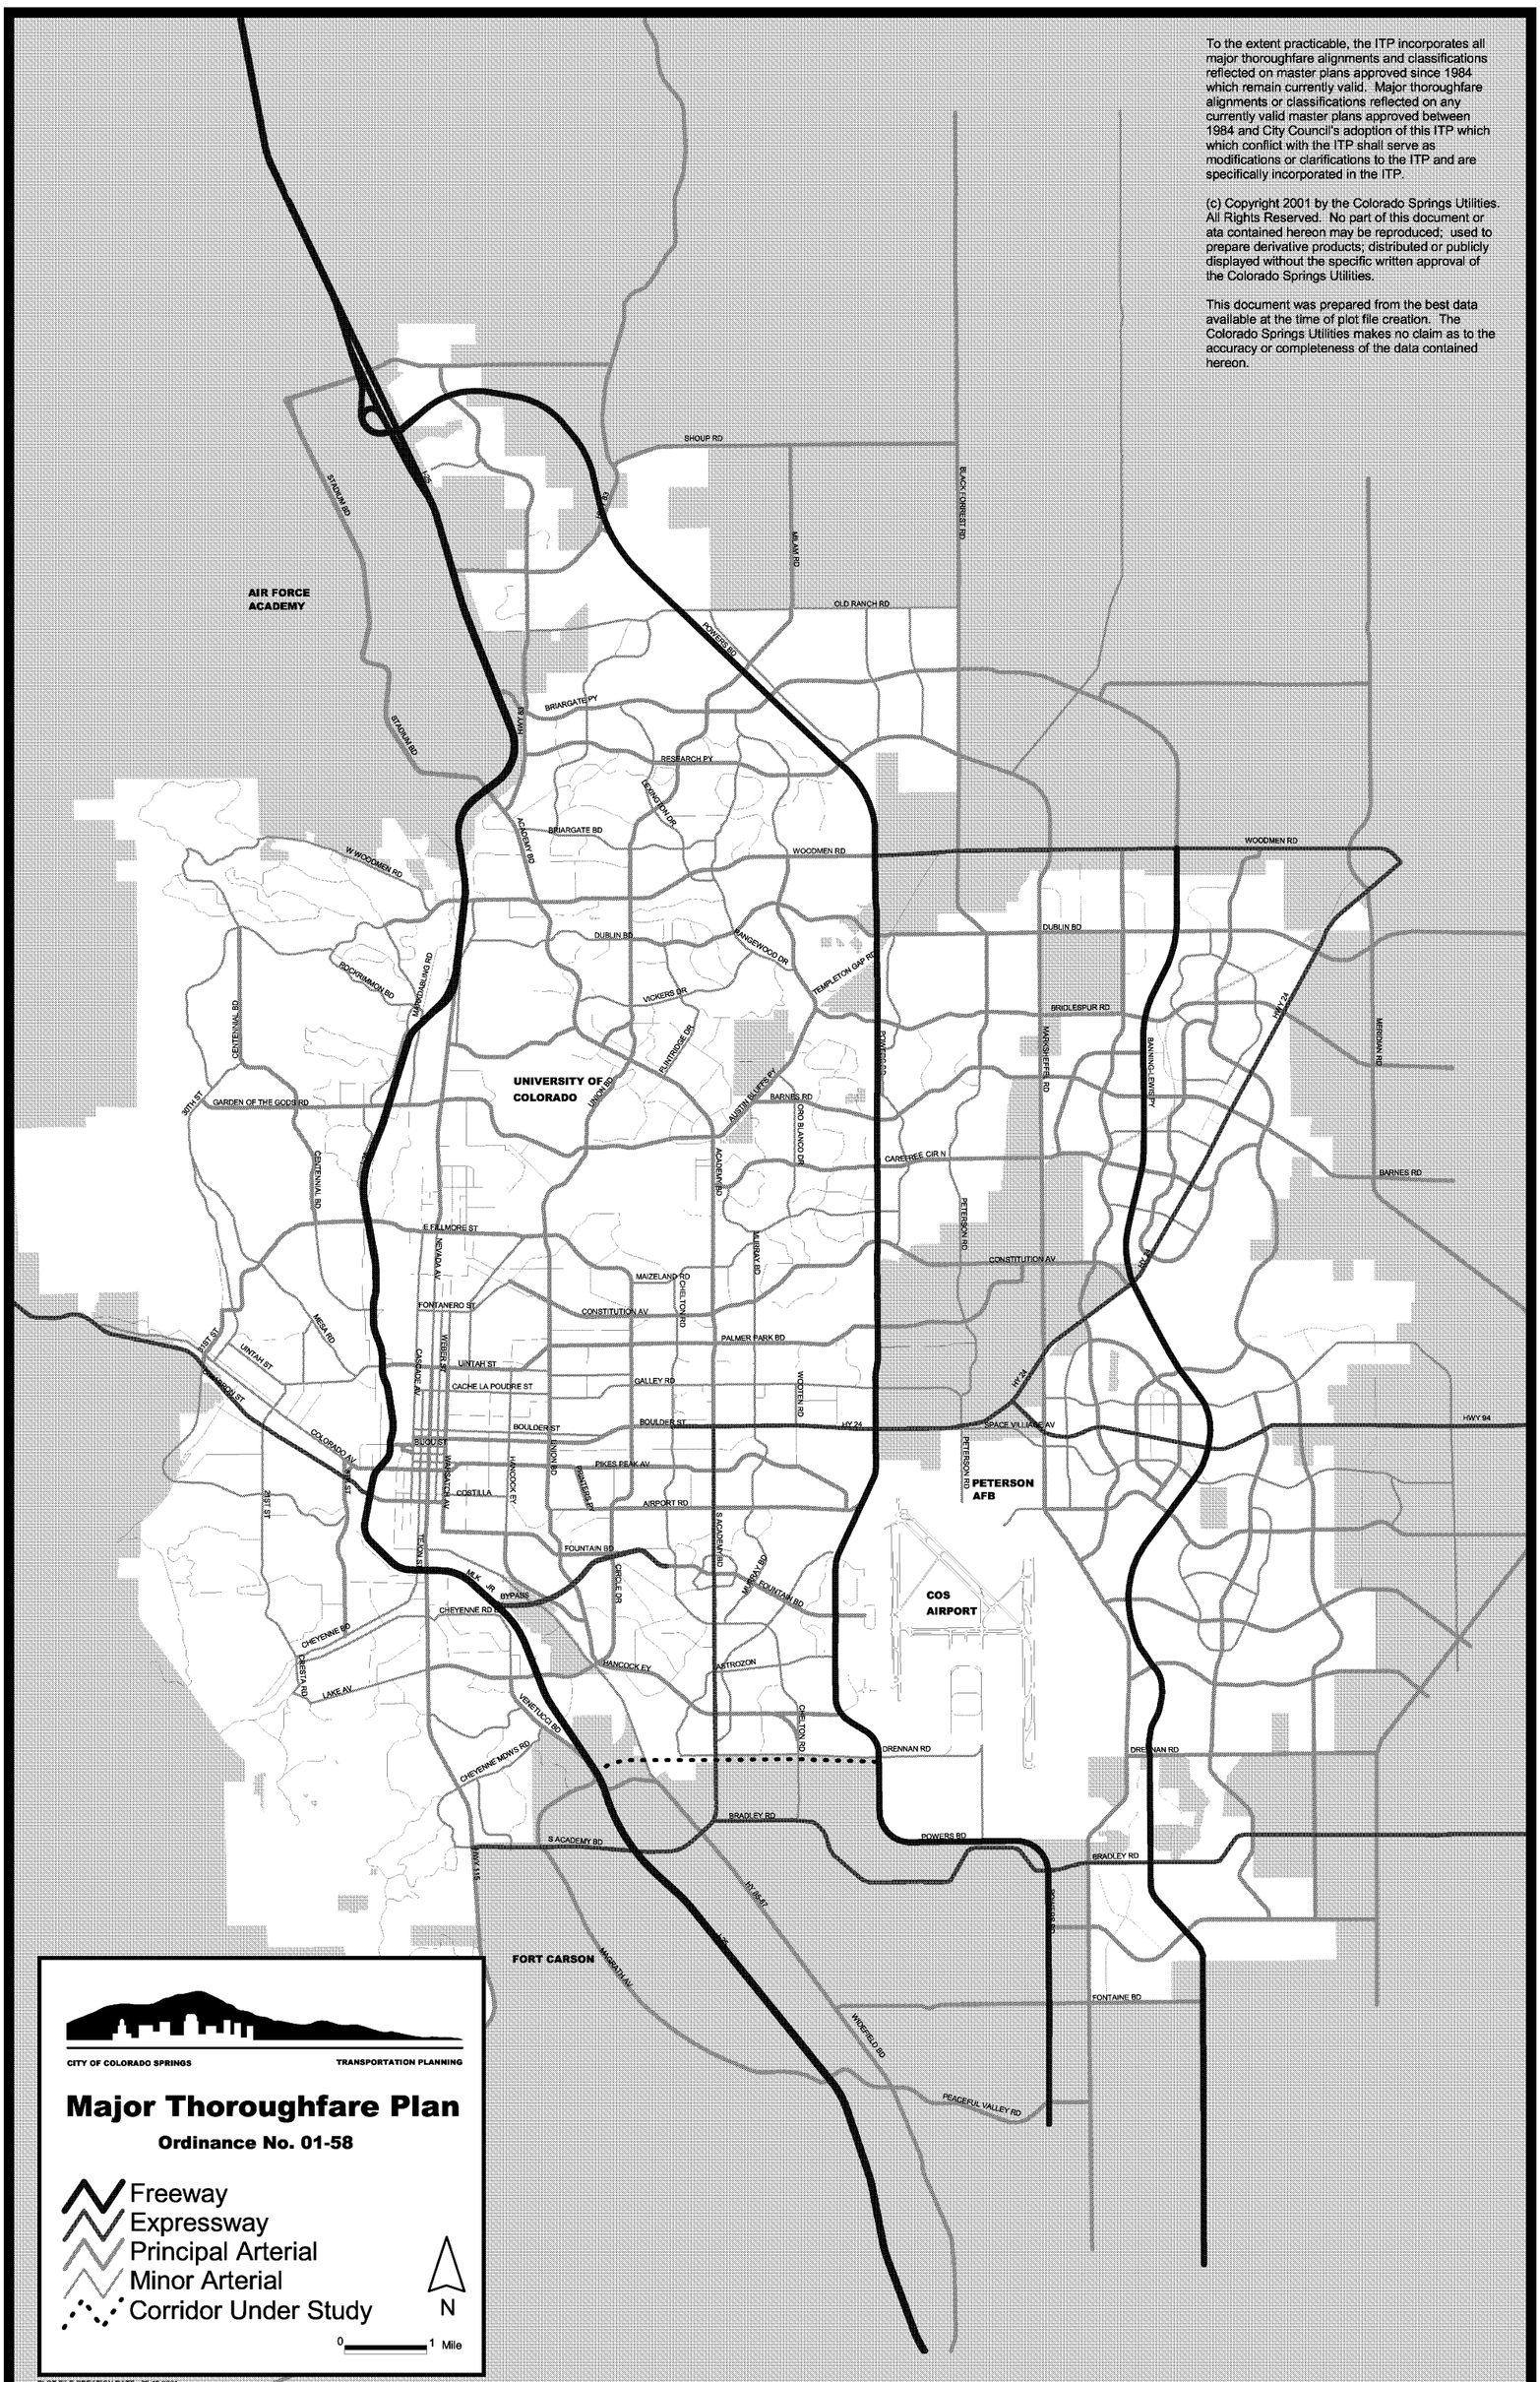
Intermodal Transportation Plan - MAP 8



To the extent practicable, the ITP incorporates all major thoroughfare alignments and classifications reflected on master plans approved since 1984 which remain currently valid. Major thoroughfare alignments or classifications reflected on any currently valid master plans approved between 1984 and City Council's adoption of this ITP which which conflict with the ITP shall serve as modifications or clarifications to the ITP and are specifically incorporated in the ITP.
